LOVIVVV
THE VEIL OF THOUGHTS

" THE VEIL OF THOUGHTS IS AN IMMERSIVE POEM THAT HAS BEEN ACTIVATED DURING THE NIGHT OF FEBRUARY 18TH, 2023.

AN EXPERIENCE
TO MEET
THE METAPHOR OF A PSYCHIC VEIL
DISTANCING US FROM REALITY
A SEE-THROUGH MEMBRANE
ON WHICH
WERE DEPOSITED
(GESTURAL;GRAPHICAL;MENTAL;TEXTUAL)
RUMINATIONS

9PM
AN ANGULAR BUBBLE
ACTIVATED FROM INSIDE
BY A SONIC SPASM OF ABOUT TWENTY MINUTES
MUFFLED WORDS TRYING TO FIND THEIR WAY OUT
ELECTRONIC SIGNALS MEETING A STROBE LIGHT
CLEAR
BLURRY
STILLNESS
MOMENTUM
STAND UP
I BEGAN TO CUT IN THE VEIL
THEN,
YOU CUT IN THE VEIL
WE,
WE CUT PIECES FROM IT
TOGETHER, OPENING THE SPACE
GAINING CLARITY
SHREDDED WALLS
WELCOMING NEW VITAL BURSTS

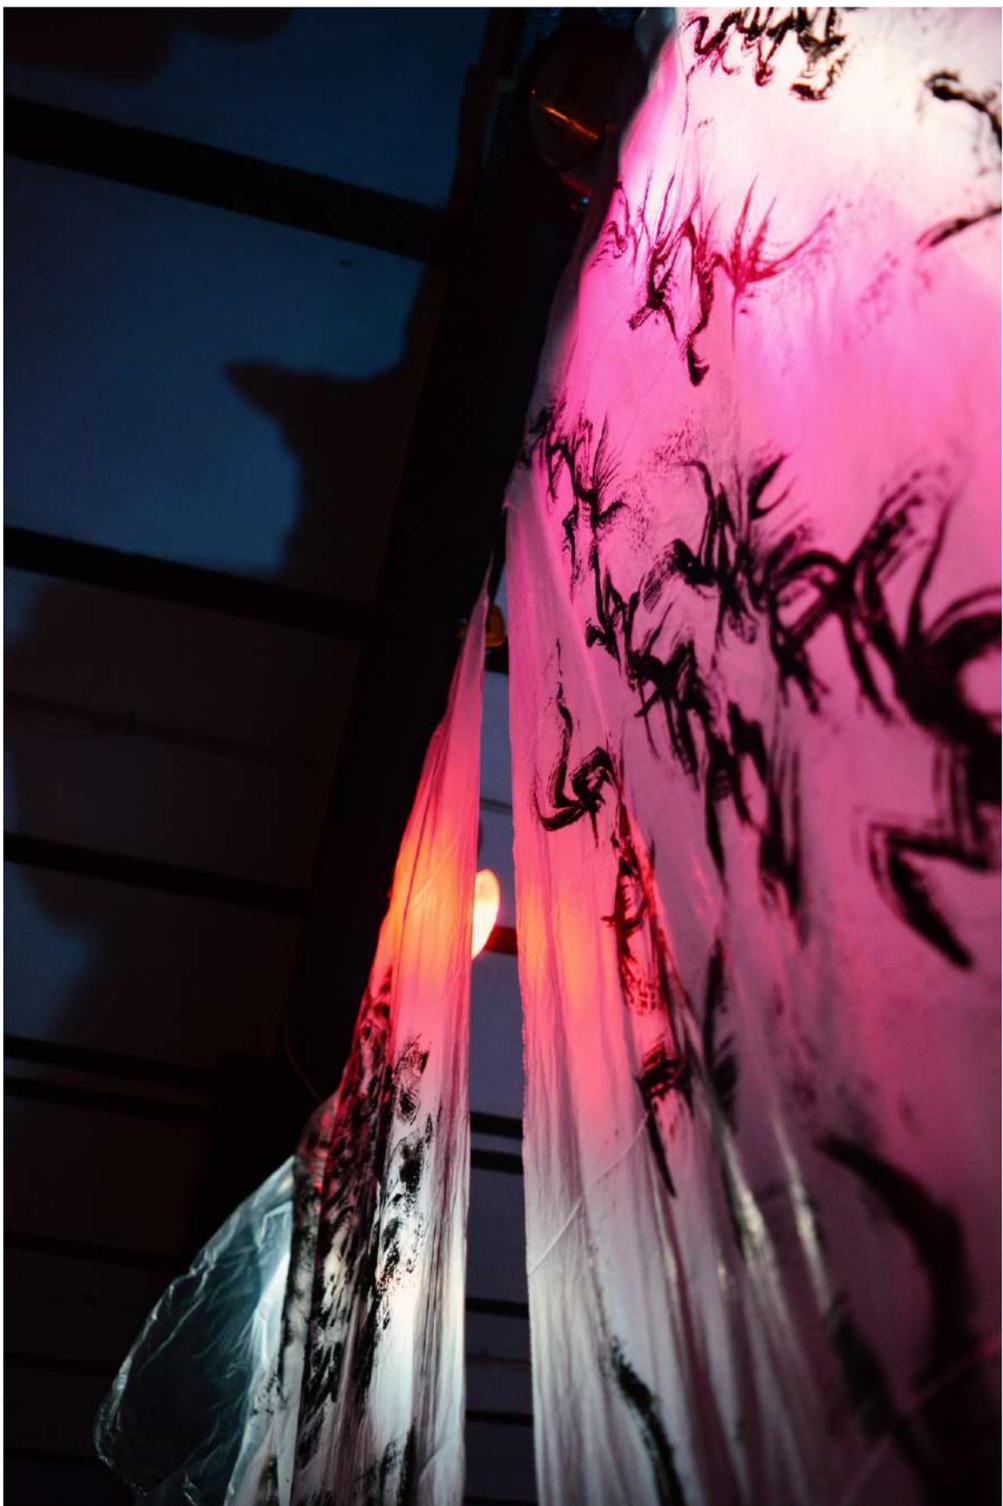

AFTER THIS ACTIVATION, THE INSTALLATION REMAINED IN A SECOND STATE FOR THE FOLLOWING DAYS. "

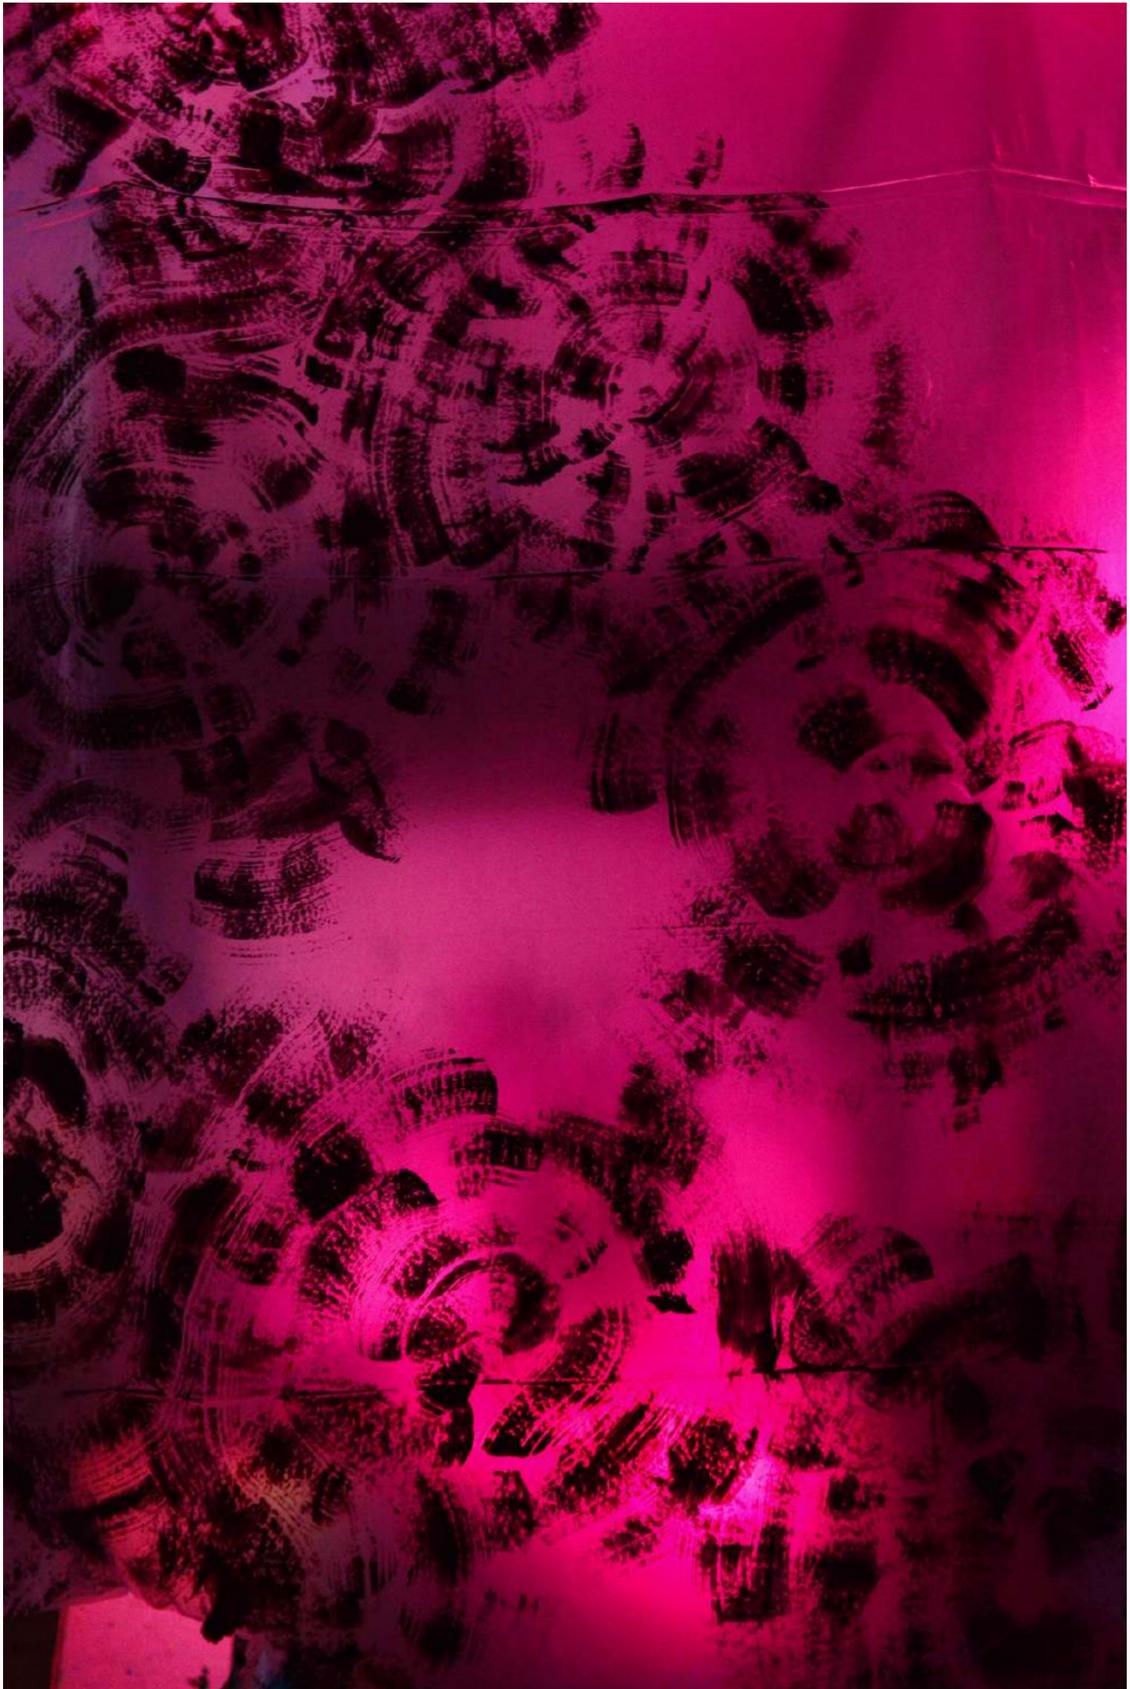

Lovivvv is a multidisciplinary french artist exploring the inherent poetry of invisible energies and sensations that inhabit us. Her work is an attempt to give shape to these elusive feelings through a constant back and forth between mediums such as drawing, music, installation, performance, video.

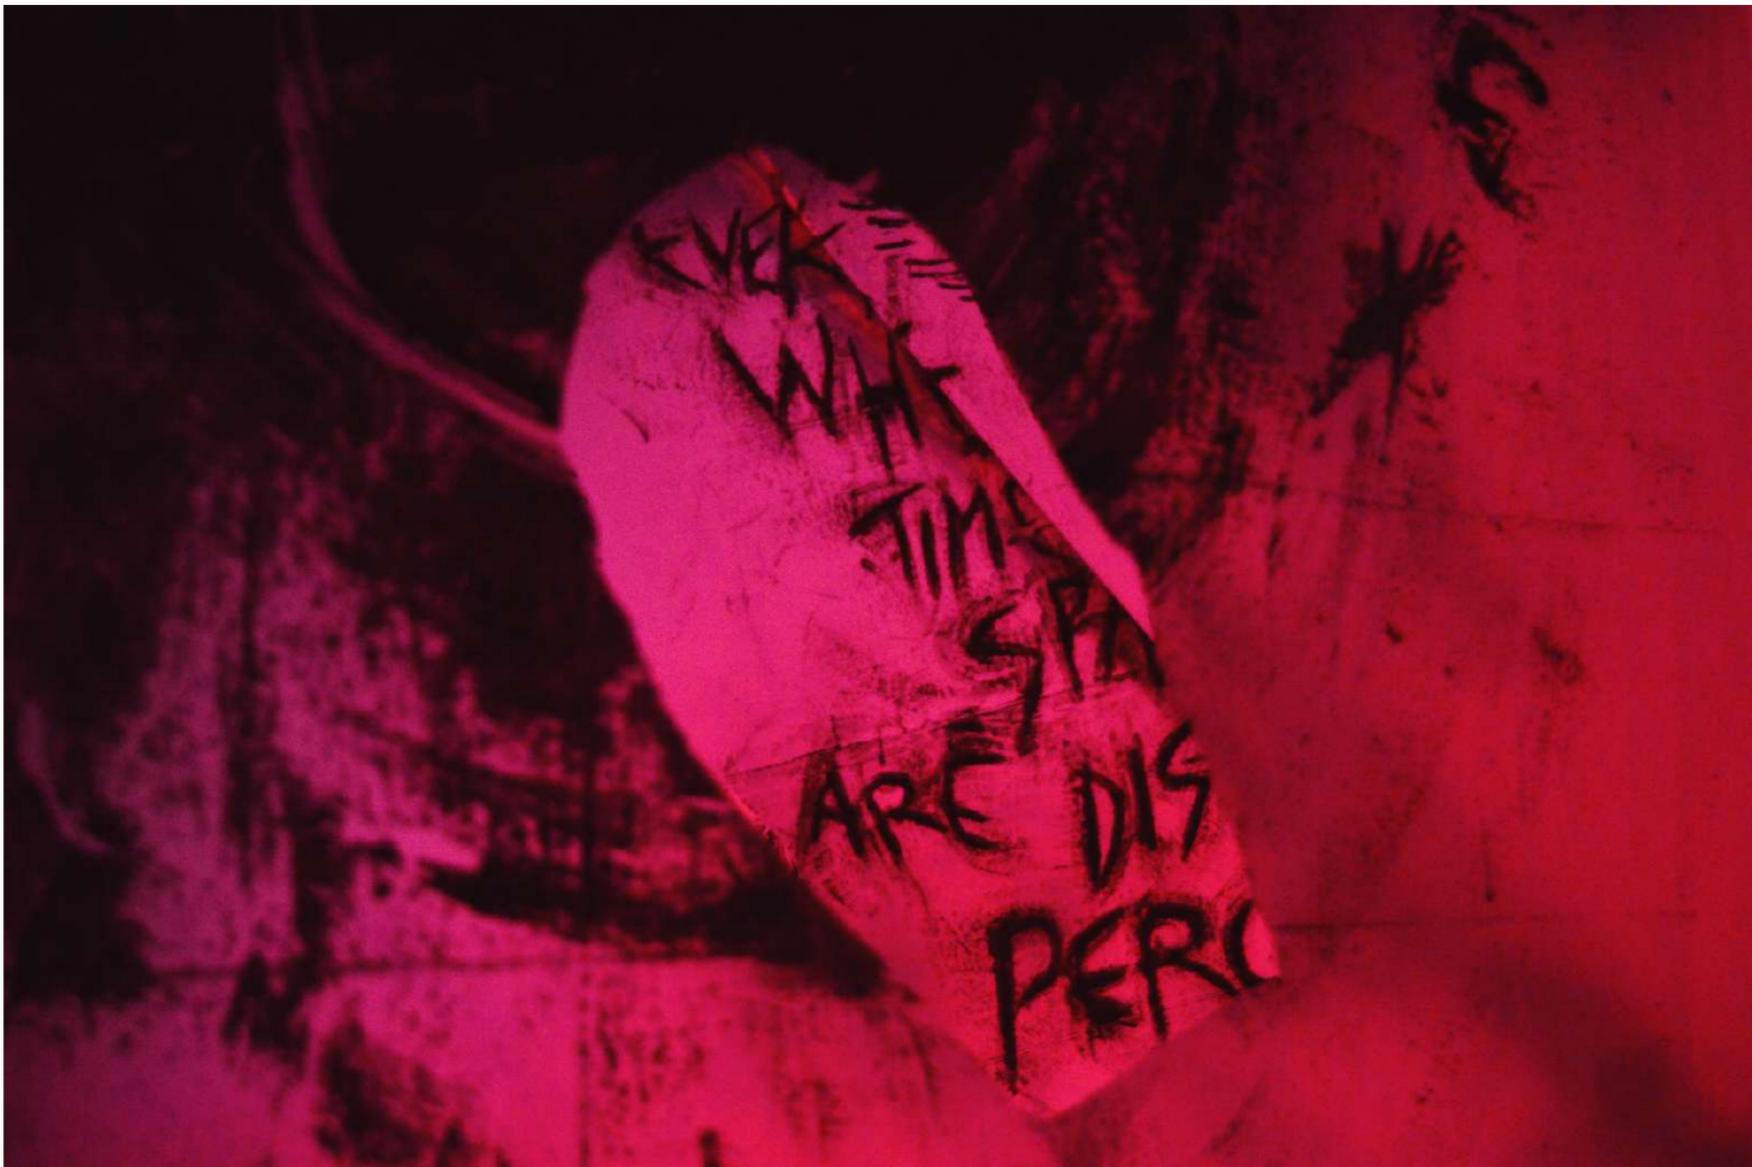

The exhibition is a product of her one-month stay in Prisma's artists-in-residency program, where she was able to fully immerse herself in her artistic process and create the works on display.

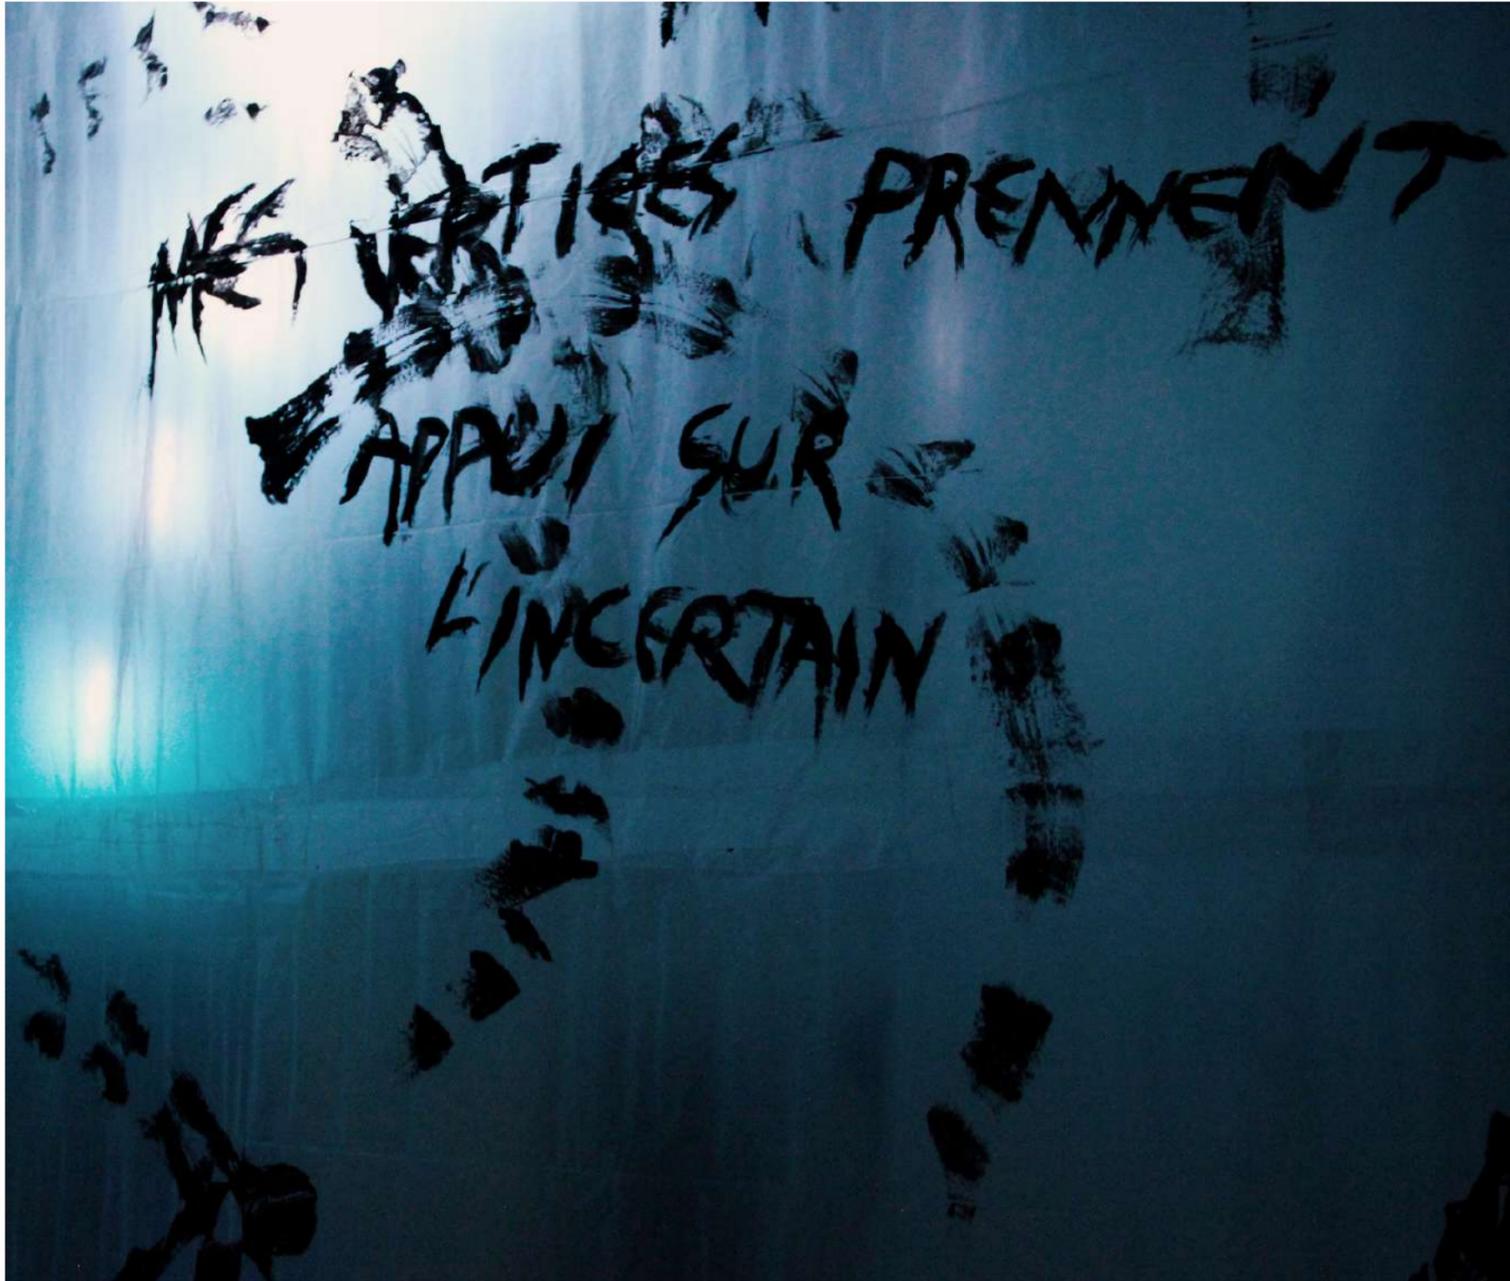

Materials utilized in the art piece are: plastic sheet rolls, acrylic paint, and wire with dimensions: 260x 100 cm and suspended from the ceiling.
